THE PHARMACY SYSTEM

Rx30 Pharmacy Management System

THE POWER OF PARTNERSHIP.

For over 38 years, Rx30 has been at the forefront of creating leading-edge features and maximizing the business and patient success of community pharmacies. Rx30 is pleased to partner with PPSC to offer member pharmacies the Rx30 Pharmacy Management System.

The Rx30 Pharmacy Management System is the preferred choice of over 4,400 pharmacies who demand an innovative leader that continually drives more system value, enhances revenue opportunities and maximizes patient outcomes. We work tirelessly and collaboratively between our programming staff, pharmacists, industry experts and integration partners to provide you the GOLD STANDARD of pharmacy management systems.

Contact your PPSC representative or the Rx30 sales team to learn more about how Rx30 can help your pharmacy become a patient care leader in your community.
