RxSelect PARTNERS WITH PPSC

*PPSC Partners with RxSelect to Offer Members
Comprehensive Pharmacy Services*

Oklahoma City, OK – October 22, 2012 RxSelect proudly partners with PPSC to offer PPSC Bronze Members participation in our comprehensive suite of pharmacy services, including, third party contracting, electronic reconciliation, and audit protection.

“We are very excited about this partnership between RxSelect and PPSC” said Josh Cline, Director of Business Development with RxSelect. “PPSC provides many valuable services and RxSelect’s offerings certainly meet PPSC’s mission of ‘providing the highest quality pharmacy services’ to their members.”

“PPSC is pleased to offer its Bronze members an array of RxSelect’s pharmacy services that will benefit our pharmacies in this challenging business environment” said Cyndi Mincy, PPSC CEO & President.

Founded in 1983, PPSC’s foundation has been to lower the acquisition cost of products and services and to enhance the customer base for member pharmacies and preferred partners. As one of the nation’s oldest and largest pharmacy service firms, PPSC proudly offers independent pharmacies with a medley of valuable services, innovative technologies, special discounts, attractive rebates, and additional benefits.

Founded in 1985, RxSelect’s parent company, PPOk, is a membership owned Not-for-Profit corporation whose sole purpose is to ensure the viability, success, and competitiveness of its participating pharmacies. RxSelect offers expertly negotiated third-party contracting, superior customer service, valuable reporting for more profitable management of your business, and a host of other industry-best services designed to meet the unique needs of our independent pharmacy members. For more information, call RxSelect at 877-557-5707.
